PERRY BAND SPONSORSHIP PROGRAM - 2021-2022

Dear Parents, Business Owners and/or Managers,

Perry High School opened its doors in 2007 as the one of the newest high school in the Chandler Unified School District. The school quickly began to assemble a strong music program, most recently joining the Valley's top tier bands. The program is comprised of Marching Band, Symphonic Band, Jazz Band, Concert Band, Winter Percussion and Winter Guard units. The bands compete at state and national competitions in Arizona, Nevada and California. We are very excited about the prospects for the upcoming season. It is important for our youth and our community that the program continues to thrive and grow. This will only be possible with support from our families, communities, local businesses and corporations.

Program Overview:

Student's families and the Band Boosters provide the majority of the dollars needed for maintenance and operations of the program. Your support in providing financial or equivalent services (i.e. meals, products or services) is vital in order for the band to grow and continue to flourish. Our goal as a booster organization is to ensure all students have a great experience while they are in the music program and maintain the financial foundation of the program. For local businesses, many of our "Band Families" already visit your establishments and making this commitment will enhance those relationships over the upcoming years. Proceeds from the 2021-2022 sponsorship program will go towards the acquisition of musical instruments as the program continues to grow.

How Can You Participate?

We have several levels of sponsorship and hope that you will be able to choose one that fits your financial needs and helps the Band succeed in the 2021-2022 school year.
